“ *Cliffy had the biggest heart when it came to his family. Even though our paths in life were completely different, it was him who gave me the confidence to believe in myself-he was my biggest fan. He could always make you laugh no matter how tragic the situation. I am so glad I got to experience what it is like to be loved and supported no matter what by my big brother. I don't know if this hole left in my heart will ever be filled but I will carry Cliffy's memory with me always. Love you forever BigBro*
