“ I remember when I would come over and me, your mom and you would be laughing and talking about life while you got ready to out. Watching you walk like a model always made my heart smile 😍😍😁😁😁. Your beautiful smile, infectious laugh and the way you just had such a beautiful soul will be missed. I was definitely blessed to know you and experience your essence.

“ *A Tribute from Aunt Ursula, with Love missing her*

Darlin Angel Byrd,

your name was a prophecy of who you were a beloved Darlin,

a pure Angel, and a Byrd whose wings were always touched by heaven.

Though your time here was brief, your impact was deep.

You leave behind a light that cannot be dimmed, a love that cannot be

forgotten, and a presence that will forever live in our hearts.

And in your precious son, Caden, your spirit lives on. Your love lives on.

Your smile, your softness, your strength — all of it continues through him.

He is your greatest gift to this world,

and we will surround him with the love, guidance, and protection you would have given.

Rest in His peace, sweet Darlin.

We will carry you always.

“ May

The Lord's Peace and Comfort be felt by this family. I knew Darlin when she was a little girl who liked to draw pictures and showed them to me whenever I visited her home. Darlin was sweet and pretty growing up and I appreciated her kind ways. Love to all her family...(Bleeber)
