“ Eric was a great classmate when we attended the Valencia College Film Production program. I was gutted to hear he had passed. He will be missed.

“ Eric and I have worked together for some time now at Rhino. He was always so kind and genuine. He and I nerded out a lot and try to keep each other laughing especially if it was a hard job... it was maybe a week or so ago that I had him crying laughing at the Roxy doing my Christopher Lee impression. He would ask me to say things in that voice so he could chuckle... I am going to miss you my friend. I can't believe you are gone...

Memory eternal.

“ Eric was one of the first people I met when I became a stage hand. It was a blessing to work with him and get to know him over the last year and a half. He will be dearly missed by many friends and coworkers.
