“ "Hey Mr. George!" His response would always be "hey baby", followed by Mrs. Denise asking why I wasn't called the name he normally called people, followed by laughter. I am truly saddened that he is no longer here in the physical, but find comfort in knowing that he is resting peacefully now. To his wife, children, and extended family of this wonderful man, I extend my condolences. I pray God continues to comfort each of you in your time of mourning.
