“ *In 1970 I was introduced to the Blackwell Family.
Needless to say, I was accepted and treated as a Family member.
Mother, Father, Sisters, Brother, Aunts and Uncle were in many
ways closer than my Blood Family.
The parties, food, fun and laughter, feeling Blessed and thankful for
the small things and big things that I took part in.
I felt love for all, especially Geraldine....
A part of my heart has gone with Her and the memory of Her is
mine to keep.
Love and Condolences to the Family for Our loss.*
