Jamarcus Djuan Bloodsaw (Marky) was born December 14, 1995, in Atlanta Ga to Sonia Bloodsaw and Edward Darnell Wolfskill. He was the sixth of eight children.

He attended Newton County High school. Jamarcus was an advent fisherman who loved to be outdoors. He loved nature, Marky was not afraid of any animals or reptiles. He was a gentleman who loved and was very protective of his family, you did not have to be a blood relative for him to have your back in any situation. Jamarcus was always ready, and he was about them Knucks!

Jamarcus didn't attend church very often, but he was Gods Child, and he was loved and respected by all who encountered him. To know Jamarcus was to respect him and he demanded that! Even in raising his two sons, he instilled in them how to be good young men that showed respect for others.

“ *The most favorite face I looked for every 2 weeks to go clean my clients house. He was always working SO HARD there but had such a kind heart one day to stop what he was doing to help me fix the desk I temporarily broke. From that day forward, we had a bond & he always helped me whenever I needed it. He’s going to be dearly missed!!!!* ”

“ *My Son, I will love you forever, I remember when you were born and I feel in love with that little round head of yours! I watched you grow and change from a baby to a boy into a man and I am so proud of the man you became, God wanted you to come and work for him so we had to say goodbye. Although I want you here on earth I know in my heart that you are 100 percent better with God Be at peace my wonderful Son, you are home now in God's eternal world and I love you so rest in peace..... mom*
