# Tribute Wall

“ Grandma you are more than a grandmother to so many and as I go through the days without you it is very hard but I know you are in a better place , I love you truly everyday and everyday in between, all of my friends love you so much , you were it for us all , I think about you every day and try not to cry because I know you would want me to be happy , you are a blessed force in my life always and my sons life and Davids also. Rest easy my love . tell mom and Bill and Jessie Mae I love them so much .

“ To my sweet cousin. You were more than a cousin. We always enjoyed your visit home. When you entered a room your light just shined. A heart of gold. We love you and now you have gone home to join a host of family to include your mother and daughter. My Aunt Pay has been waiting for a long time to have you join her. 93 blessed years queen. Shine on.
