“ *Brother-in-law you will definitely be missed. You would always help out with family functions, grilling ribs or cooking fish for the family. You were very much appreciated for all your efforts. I pray that you are resting in peace with no more pain or sickness.*

“ *Uncle Kaiser would bring us Happy Meals every time he would come and visit his mom, my grandmother. I always looked forward to that. There was a certain dish of mine that he particularly liked. He wanted me to make it each time we had dinner together. We connected through food. He always made me feel good. He will definitely be missed.*
