“ I didn't know Prophet Carter crossed over until right now. It's like finding out about a family. I am in total shock. He imparted so much wisdom and spiritual understanding into me and so many others. I have checked his page a few times and reached out on Messengers to check on him. I am hurting in my heart. I know nothing of what happened but I know he was a true Prophet of God and felt like the word of God said about Jesus ; Isaiah 53. Blessings and strength to his family and friends 🙏😔❤️

“ Prophet LeBronn was a beautiful spiritual friend. His heart was so in love with God. I don't know what happened on September 7, but I do know he is with Father God and I will get to see him again

My dear brother in Christ, I know that you are in heaven singing praises and worshipping the most High God. You wanted so much to give us those deep understandings of things that the Holy Spirit showed you. I'll miss your calls and all the love. You were always available for Wednesday nights on SOLM and on all night prayer services.. I really appreciated you. I'm so sad that we lost connection for awhile but life was so much nicer knowing you were in it. Missing your joy.
