“ To my baby(Marques), know that you were loved and I will miss you more than you will ever know I thank God for the 36 years that I was entrusted to share the joy of being your mom who would have thought watching you walk out the door Sunday to go for your walk that would be the last time I would see you breathing and acting silly. After receiving the phone call and seeing you it still didn't seem true but it was/ is son I am accepting it not because I want to but because I have to knowing that you are with your Dad with his welcoming arms and showing you off to everyone. Son again I thank God for the 36 years I had with you and one day I will see you again.

Until then kisses💋

Love you mama 🌹❤️👍
