“ Sammy was a hard working, fun loving, seriously Christian man that I am thankful for the privilege of having known him. There will be a void in this world as a result of his loss. Rest safely in peace Sammy, you are and will always be missed.

“ Sammy was a great friend since the mid 60's. The world will be a bit dimmer without him. He was a good man and will be missed.

*Sammy you were so funny Bill and I will miss you. You were a special  
loving caring guy. I will miss my visits with you and your laughter at the  
home. You are now at home with Jesus.*
