“ *Shawanna Sis, you fought a good fight. I know there is no more pain and no more suffering. No more worrying about this Dr or this procedure... Jesus heard your cry and he called you home. I know you are at peace now.*

I will always remember your smile and your humble spirit. I will miss all of your birthday text and pics. I will miss all of our hours and hours of phone conversations.

I thank God for allowing me to share life with you. You will truly be missed.

Say hello to Daddy for me 🕊️🥰🌸

“ To my daughter you kept indicating you wanted to rest, Be blessed with the angels above. No parent should ever have to experience the pain of losing a child. My heart aches for you, and I'm looking for the strength through these difficult times.
