“ I will never forget when we were growing and me and johnny would get off the bus, you would be standing on the porch ripping your shirt off like Hulk Hogan and we knew we were about to get body slammed, forehead's bit and elbow drops. I will forever cherish the memories Beav. May you rest in peace, I will miss you dearly. P.S., don't aggravate mama too much up there, you know how mad that made her! We love you so much.

“ I'm so sorry for your loss. I know Beav will be missed dearly. I have always thought the world of him.. The one thing I always admired about Terry is the love he had for his Children. I know that he loved all 4 of his children with all of his heart. I pray that his children always love each other because that's the one thing he would want most of all. If there is anything I can do for any of you please let me know. May God lead you and strengthen you during this difficult time . 🙏🙏
