“ *Me and Vicki were neighbors when we were married and living in East Point back in the 80's We reconnected about a year ago after she moved back to Atlanta, she said she came home to help out with her mother. I always considered Vicki to be a very creative and gifted Artist, and entrepreneur. I remember when she opened up a Vintage shop over by MLK and Ashby Street it was a wonderful well put together shop. After that Life happened and we lost contact. It was wonderful seeing Vicki again after so many years and we had many deep conversations. Vicki is a Good Spirit and I am so grateful that I got to see her before she made her transition. Vicki my Love, Bless you and Have a Peaceful Journey. OneLove.*
