“ William popped up on my social media timeline. We went to UB together and I knew him and went to a Halloween party once with him and other UB friends. So sorry he left us all. He was a warm fun and accepting person. I was glad to have known him and had him be a part of my life.

“ I miss you so much. You were my solace, my best friend, my safe space where I never felt judged. I miss our late night conversations about the world, the crap people in it, and how we should just be Malibu Barbie’s and ‘that Aqua b*tch was right, plastic is fantastic!’ I wish I could talk to you one more time, I find myself wanting to call or text you. I hope you’re at peace, Gorgeous. You will always have a beautiful soul. ❤️
