“ TO MY bROTHER-in- law, you always treated me like your brother even before Day and I were married. Our first meeting was a brother looking out for his little sister and it was intense, but full of Love. I was always happy to hear from you. Thanks for supporting myself, my family and my wife. Truly a MAN`s man that I will pattern myself after. Your great compassion for young people was extraordinary. You trusted me with your babies, That's LOVE.

Gone but never forgotten.

Brother-in Law

In His service,

“ Earth has no sorrow that Heaven cannot heal. Sending prayers to the family of the late Mr Willie Evans Sr. I had only known him for a short period of time but was glad to be able to get to know him. Always kept a smile & others laughing. Mr Willie always talked about his grandchildren and how they had him wrapped around their fingers. Praying for comfort & strength for them.

“ We had you in our lives for such a very short time, but we'll hold you in our hearts forever. It seems like only a fleeting moment, but it was long enough to see you, touch you, hold you, love you. It was long enough to know that your life was indeed a gift~ no matter how brief, no matter how fragile you were at the end. Your life was indeed a gift, and we'll hold you in our hearts forever.

Love,

Carolyn, Nikki and Terrence

“ *My rock & my hero...these are the words I use to describe a great man that meant the world to not only his family, but, to the many of people that came in contact with him. A lot of my friends were so drawn to him that it got to the point he told Willie & I to stop bringing more folks around, I can't keep feeding & housing everybody(LOL!!!). He provided the tough love that made me into the man I am today. I'm definitely going to miss you...I know you will not be here in person, your spirit will always be a big part of me. I love you, Pops!!!*

“ Deac will truly be missed. He was the first extend part of my husband's family I met when we started dating. I've heard and I've witnessed his kindness, slamming food and fatherly advice that the fellas of "the high" speak so fondly of. Thank you for what you've done for them all. You will truly be missed.
